

# INTERNAL QUALITY ASSURANCE CELL

## OBJECTIVES

- Ensure continuous quality improvement in teaching and learning.
- Develop a systematic quality assurance framework for all academic activities.
- Promote a learner-centric environment and innovative teaching methods.
- Strengthen clinical training quality through regular monitoring.
- Enhance faculty development through workshops and training.
- Facilitate transparent and effective evaluation systems for students.
- Promote research, extension, and institutional collaborations.
- Collect and analyze feedback from students, faculty, and stakeholders.
- Prepare and submit AQAR and other quality reports to accrediting bodies.
- Encourage best practices for overall institutional excellence.
