

Health Facilities for Students

Navodaya College of Physiotherapy, part of the Navodaya Education Trust in Raichur, provides strong healthcare support and medical facilities to ensure the well-being and safety of its students. The college is located on a spacious 150-acre campus and is closely integrated with the Navodaya Medical College Hospital & Research Centre, a large multi-specialty teaching hospital offering comprehensive clinical care.

1. On-Campus Health Support

The college maintains a health centre with first-aid facilities where students can receive immediate medical attention for minor illnesses and injuries. Basic health care and emergency first response services are available on campus to support students' everyday health needs.

2. Access to Multi-Specialty Hospital Services

Through its strong affiliation with the Navodaya Medical College Hospital & Research Centre, students have access to a full spectrum of medical services including:

- Outpatient and inpatient care
- Emergency and acute treatment services
- Diagnostic services such as laboratory tests and imaging
- Pharmacy services with subsidized medications
- Specialized departments covering medicine, surgery, pediatrics, orthopedics, ENT, ophthalmology, and more.

This hospital is equipped with modern facilities and trained medical professionals, ensuring high-quality healthcare support for students and the wider community.
