NET - Mission & Vision

Navodaya Education Trust®, Raichur was established by a great visionary Sri S.R Reddy M.Pharm, in the year 1992 with a solitary purpose of proliferating professional education by establishing the higher centers of learning in diverse fields of medicine, Dentistry, Engineering, Pharmacy, Physiotherapy, Nursing, Education & Allied Health Sciences etc.

Vision

To establish institutions importing high quality education by creating requisite infrastructure complemented by the state-of-the art technology, making excellence, a natural inspiration, and to convert Navodaya Institutions as premier education hub.

Mission

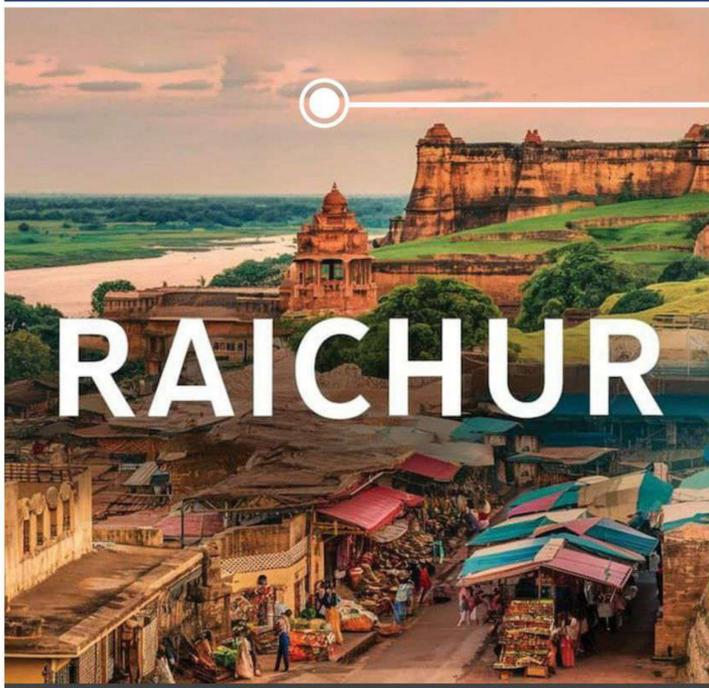

To create new bench mark in exemplary education driven by consistent commitment towards providing complete knowledge based solutions fostering total career enlightenment for student and personal.

To cater to the growing need of medical health of poor and needy by qualified professionals in the North Karnataka, Raichur in particular.

Incredible India

India has successfully emerged as an accomplished destination world over for its high standards in educating the best professionals of the world. The very basis of basic medical education in India is of rather commendable value as proven from time to time. India is an ideal place for any citizen of the world to successfully pursue their intended career.

RAICHUR

Emphatic Raichur

Raichur is located in a very geographically comfortable position of northern part of Karnataka in India. It has very tropical climatic conditions, which is most ideal for learning and a warm place to achieve one's privileged dream. Its access to any part of India and also world with ease is of great advantage. The nearest International Airport is Hyderabad, which is well connected to the rest of the world and is just 3 hours drive from Navodaya Campus. People of Raichur are very courteous and generous in nature. With the omnipresence of people of varied cultural backgrounds, it is a pleasant and safe place for any newcomer to live without hurdles.

Raichur is in a rightful place in the education map of India with two Medical colleges, two dental colleges, One Physiotherapy College two pharmacy colleges, two nursing colleges & four engineering colleges etc.,

Inspiring Karnataka

Karnataka has been rated as one of the top states of the India after its immaculate triumph as the thriving place for intellectual people to live and prosper their career pursuits. It has been the growing presence of the top rated and best employers of the world especially in the services and health care sector, which have created superlative opportunities in Karnataka to prevail upon. Hospitality of Karnataka is phenomenon and adaptability of the state for new entrants is absolutely easy. Welcome to the land of rich cultural heritage and highly quality conscious populace. It is the global education hub and the place for realizing the dreams in the era of knowledge economy.

Advantage Navodaya

Navodaya College of Physiotherapy stands strikingly as an architectural beauty, with its massive structures and aesthetic view leaves every one spell bound.
